About Friends of the Organ (FOTO)

FOTO will buy the organ and gift it to St. Peter’s Church, Waipu. (Although the organ has been delivered, it belongs to Keyboard Music Systems until we pay it off. It’s a ‘hire purchase’ arrangement.)

The total cost of the organ is \$28,750 (incl. GST).

FOTO is independent of St. Peter’s Church and the Bream Bay Anglican Mission District, but thanks the Bream Bay Anglican Mission District for their support.

FOTO Is effectively a club.

Membership must be renewed on an annual basis. It begins on the date you join.

Please note that, as FOTO is a club, and not a registered charity, donations and membership fees are not tax deductible.

Should FOTO fail to pay the organ off it will be returned to the supplier. In that event donations would be refunded if we have a record of your donation – so please let us know who you are should a potential refund be important.

No membership fees will be refunded.

You do not need to be an Anglican to get involved with this project.

Your data will be private.

Contact FOTO anytime using this email address: waipufoto@gmail.com
